AirLink Communication - Product Warranty

The following terms and conditions (“Warranty Terms”) govern the warranty services offered to you (“Customer”) by AIRLINK COMMUNICATIONS, INC. (“AirLink”), located at 3159 Corporate Place, Hayward, CA 94545, in connection with the sale and licensing of AirLink software and hardware.

1. WARRANTY:

1.1 Standard Software Warranty. AirLink warrants that the Airlink software (“Software”) licensed hereunder will perform in substantial conformance to the applicable AirLink software specifications during the warranty period. The warranty period is ninety (90) days from the date of delivery of the Software to Customer. AirLink's sole obligation with respect to this express warranty shall be, at AirLink's option, to refund the license fee paid by Customer for any defective Software or to replace the Software with Software that substantially conforms to AirLink's applicable software specifications.

1.2 Three Year Standard Equipment Warranty: For a period of three years from delivery, AirLink warrants that the hardware products (“Hardware”) will meet AirLink’s standard specifications and will be free from defects in materials and workmanship.

1.3 Remedy. If under normal use the Software and/or Hardware (collectively, the “Products”) prove to have any such defect and the Customer notifies AirLink of such defect within the warranty period, AirLink, at its option, will either repair or replace the same without charge. The warranty does not apply if the serial number label or any warranty voiding label has been removed or if the Product has been subjected to physical abuse, improper installation, or modification not authorized by AirLink, or if the Product was used in a manner for which it was not intended. Products will be accepted for repair or replacement upon written authorization and in accordance with instructions of AirLink. Customer will obtain a Return Material Authorization (“RMA”) number from AirLink’s Customer Support, fill out an RMA submission form, and enclose it with the product. Transportation expenses associated with returning such Products to AirLink will be borne by Customer. AirLink will pay the costs of return transportation of the repaired or replaced Products. Please contact AirLink’s support

group via email at support@airlink.com or telephone at 510-781-9760 to obtain an RMA number. Products deemed by AirLink to be DOA (dead on arrival) may be returned to AirLink for repair, at AirLink's expense, using the standard RMA procedures.

2.) GENERAL. b. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

c. **Limitation of Liability.** Except as otherwise provided by an express or implied warranty, the Contractor will not be liable to the ordering activity for consequential damages resulting from any defect or deficiencies in accepted items.

Peplink Pepwave Limited - Product Warranty

1. STANDARD HARDWARE/SOFTWARE WARRANTY:

Peplink warrants solely to the original end user purchaser ("Purchaser") that hardware ("Hardware") purchased from Peplink or our Authorized Partners will be free from defects in materials and workmanship when used within the limits set forth in the documentation (data sheet and user manual) for a period of twelve (12) months, starting from the time of shipment of the Hardware.

This limited warranty is non-transferable and extends only to the original end-user purchaser who acquired the Hardware from an Authorized Partner who has the right to sell in the end-user's territory. Peplink explicitly disclaims any warranty obligations for Hardware that is sold outside of the assigned territory of an Authorized Partner. Your exclusive remedy and Peplink's entire liability under this limited warranty will be for Peplink, at its option, to

(a) repair the Hardware with new or refurbished parts, or

(b) replace the Hardware with a reasonably available equivalent new or refurbished Peplink Hardware. Any repaired or replacement Hardware will be warranted for the remainder of the original Warranty Period or thirty (30) days, whichever is longer. All Hardware and parts that are replaced become the property of Peplink.

Exclusion and Limitations

This limited warranty does not apply if: (a) the Hardware assembly seal has been removed or damaged, (b) the Hardware has been altered or modified, except by Peplink, (c) the Hardware damage was caused by use with non Peplink Hardware, (d) the Hardware has not been installed, operated, repaired, or maintained in accordance with instructions supplied by Peplink, (e) the Hardware has been subjected to abnormal physical or electrical stress, abuse, misuse, negligence, or accident, (f) the serial number on the Hardware has been altered, defaced, or removed, or (g) the Hardware is supplied or licensed for beta, evaluation, promotional, testing or demonstration purposes for which Peplink does not charge a purchase price or license fee.

ALL SOFTWARE PROVIDED BY PEPLINK WITH OR WITHOUT THE HARDWARE, WHETHER FACTORY LOADED ON THE HARDWARE, CONTAINED ON MEDIA ACCOMPANYING THE HARDWARE OR DOWNLOADED FROM OUR WEBSITE, IS PROVIDED “AS IS” WITHOUT WARRANTY OF ANY KIND.

Without limiting the foregoing, Peplink does not warrant that the operation of the Hardware or software will be uninterrupted or error free. Also, due to the continual development of new techniques for intruding upon and attacking networks, Peplink does not warrant that the Hardware, software or any equipment, system or network on which the Hardware or software is used will be free of vulnerability to intrusion or attack. The Hardware and software may include or be bundled with third party software or service offerings. This limited warranty shall not apply to such third party software or service offerings. This limited warranty does not guarantee any continued availability of a third party’s service for which this Hardware’s or software’s use or operation may require.

TO THE EXTENT NOT PROHIBITED BY LAW, ALL IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY OR FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED TO THE DURATION OF THE WARRANTY PERIOD. ALL OTHER EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS AND WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF NON-INFRINGEMENT, ARE DISCLAIMED.

Some jurisdictions do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary by jurisdiction.

TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT WILL PEPLINK BE LIABLE FOR ANY LOST DATA, REVENUE OR PROFIT, OR FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES, REGARDLESS OF THE THEORY OF LIABILITY (INCLUDING NEGLIGENCE), ARISING OUT OF OR RELATED TO THE USE OF OR INABILITY TO USE THE HARDWARE AND/OR SOFTWARE, EVEN IF PEPLINK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL PEPLINK’

LIABILITY EXCEED THE AMOUNT PAID BY YOU FOR THE HARDWARE AND/OR SOFTWARE.

The foregoing limitations will apply even if any warranty or remedy provided under this limited warranty fails of its essential purpose. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
